

**Improve the quality of your digital denture with VITA VIONIC DENT DISC multiColor!**

**New: Five new shades.**

VITA VIONIC DENT DISC multiColor is made of MRP composite, similar to the VITA premium denture teeth such as VITA PHYSIODENS, VITAPAN, VITAPAN EXCELL and VITA LINGOFORM. Available as a 20 mm multicolor blank in 11 VITA classical shades and 1 bleach shade.

The VITA VIONIC DENT DISC multiColor is characterized by its flexible use for partial and full dentures, efficient processing and esthetics without compromise.
